1. WP1. Management of the project: REMEDIC OLP applied for an extension of the subsidy contract and the Managing Authority approved this extension until 17/11/2016 in order for the Greek FLP to implement all common action with the IPA partners. The extension until 17/11/2016 affects only common actions and/or consequent actions and deliverables - such as Management and Publication actions - of the OLP in order to align with the IPA partner's action and deliverables. For those actions/deliverables of the OLP which are not directly connected to the actions of the IPA partner, an extension is given until 30/06/2016 in order to complete the procurement procedures.
2. WP2, action 2.1, deliverable 2.1.1: The webpage is being continuously developed and deliverables photos and pertinent material is being added in the appropriate fields.

3. WP2. Action 2.2, deliverable 2.2.1: A finalized version of the Communication plan was produced after incorporating the comments and suggestions of the Managing Authority. It was submitted as a deliverable, added to the webpage and is being implemented.

Communication actions:

- 1) 1/10/2015 Press release Target group "general public" Athenian/Macedonian News Agency
- 2) 7-10 October 2015 FENS Featured Regional Meeting 2015 Target group "Chambers, healthcare societies and associations" Promotion of the REMEDIC project at FFRM
- 3) 26-28 November 2015 10th Anniversary Conference of the Hellenic Society for Biomaterials. Target group "Chambers, healthcare societies and associations". Promotion of the REMEDIC project at the Biomaterials Conference.

4. WP2, action 2.3, deliverable 2.3.1 Logo/brochure: The production of the brochure that it will be communicated during the closing event is being implemented.

5. WP4, action 4.1, deliverable 4.1.1, the tender for the equipment has been concluded. Expected date of equipment arrival in late January 2016.

6. WP5, action 5.1 the development of the protocols is being implemented in the existing facilities after the acquisition of the consumables

2.4 Next steps to be taken for project's implementation

The maximum total number of characters in the first box is 1000 and 500 in the second one

Number of characters

534

The next steps include:

- WP1 Continue the implementation of the program in its revised version and complete the joint actions planned with LP2.
- WP2 Follow the communication plan and address our target groups as planned. Continue with the brochure production and finalize the date for the closing workshop-event in Thessaloniki
- WP4 Conclusion of the tender in WP4 purchasing the equipment and install them in the clean room.
- WP5 Continue the development of the protocols aiming to conclude on time in keeping with our deadlines.

2.5 Problems encountered and proposed solutions

The maximum total number of characters in the first box is 1000 and 500 in the second one

Number of characters 48

No problems encountered in this reporting period.

2.6 Changes in the Implementation

Please state if you consider making any modifications of the approved Application Form. The project implementation must strictly follow the implementation plan of the approved Application Form. Under no circumstances should changes be made without the knowledge and approval of the Managing Authority while important changes may require the submission of a revised application form. Furthermore, important changes/modifications of the project may require the approval of the Programme Monitoring Committee. Please follow instructions provided in the Project Manual as in force.
